UNDERGROUND

Section A – Why, What, How

Why we are doing ... what we are doing;

The heart and soul of U-Turn Ministries is to inspire youth to believe (in Jesus Christ & their identity in Him), equip youth to succeed (at life & ministry) and influence youth to respond to the need (a lost & hurting world)!

How you and your position contribute to the “Heart and Soul!”

The Underground Worship Team will make events what they should be! Exciting, yet intimate encounters with God! The truth is the speaker can bomb ... the activities can be lame but if the worship is relevant, well presented and powerful every individual will have thought the event was AWESOME! The time and energy you invest will produce amazing outcomes in both your life and the lives of the students you lead in worship. You and your position represent the aspect of ministry that a high percentage of students will use to determine their openness to The Underground and ultimately God! Need we say more?

During worship you are the leader! It's so helpful as well as a good leadership practise to direct the congregation. For example, when leaders call out to the congregation. This can be done by mentioning the first few words of the next section of lyrics of the song being sung. Be well prepared! When you arrive for rehearsal or the event have a plan as to how you want to present the music.
